

PASTORAL RELATIONS COMMISSION: PART-TIME MINISTRY POLICY

Whereas denominations/ Communities of Faith may prefer to have services every Sunday

And

Whereas Communities of Faith may not have the financial viability for full time ministry

And

Whereas the Pastoral Relations Commission needs to take into account the circumstances of part-time ministry personnel to expand their employment opportunities

And

Whereas there may be Pastoral Charges that agree to work together to create a full time position for an individual

And

Whereas the Pastoral Relations Commission wishes to encourage a full range of ministry for its personnel

Be it resolved that the Pastoral Relations Commission of Prairie to Pine Regional Council adopt a policy consistent with the above principles, effective July 1, 2019, all Communities of Faith with profiles in process will be informed of the part time ministry policy and that the Pastoral Relations Commission will return to Community of Faith profile documents proposing full time Sunday ministry for a part-time ministry for appropriate revisions. Any Communities of Faith with part time positions currently posted will be encouraged to make appropriate revisions to their positions descriptions before any Call or Appointment or renewal of appointment in 2020.
